H-1B READY TO WORK PARTNERSHIP GRANTS
JUMPSTART TO TECHNICAL ASSISTANCE WEBINAR
MAY 5, 2015

Moderator: Megan Baird, RTW Policy Lead, DOL Division of Strategic Investments
Presented by the Ready to Work Technical Assistance (TA) Team: Susan Shorters, President of High Impact Partners; Ayreen Calimquim, Project Lead; Annette Gantt, Technical Assistance Coach

Purpose: The objective of this webinar is to provide Ready to Work grantees with an overview of the technical assistance program support they will receive from the TA Team throughout the grant lifecycle.

Summary: After providing a quick performance reporting update, the technical assistance team provided an overview of the key technical assistance activities that will be provided to support grantees. Lastly, the TA Team reviewed some of the program ramp-up action items that grantees have been working on since the start of their grant program.

### JUMPSTART! RTW PROGRAM RAMP-UP

Start-up activities should focus on developing the organizational structure and capacity required to implement the grant program. This includes program implementation, leadership and budget setup, and partnership engagement.

#### Program Implementation

- Read the RTW SGA – it’s your DOL roadmap!
- Understand Your Statement of Work (SOW)
- Monitor timeline to ensure hiring decisions are made in time for program implementation
- Set up team meetings, email updates and other regular systems to monitor and report progress
- Establish data collection and reporting systems; Collect valid and reliable data
- Monitor grant performance and take corrective actions

#### Leadership & Budget Setup Processes

- Ensure leadership buy-in and visible support through regular communication
- Connect local budget process to grant award
- Establish budget management roles and processes, expenditure procedures, quarterly and fiscal reporting timelines
- Communicate progress, challenges and celebrate success! Tell Your Story!

#### Partnership Engagement

- Secure sub-agreements ASAP with top-down buy-in; monitor activities and progress
- Implement employer recruitment strategy; define roles of employers (e.g., OJT, mentoring, mock-interviews, job placement etc.)
- Assign a dedicated POC for developing and sustaining employer partners and WIB presence/involvement
- Make sure everyone understands the goals and activities of your partners
