

H-1B TECHHIRE GRANTEE ORIENTATION WEBINAR SERIES

This series of orientation Webinar training events has been prepared for H-1B TechHire grantees. The events below are presented in a suggested order based on important questions grantees may have as they progress through various stages of their projects. Additional topics may be introduced in the future based on technical assistance needs expressed by grantees or FPOs. Please check the WorkforceGPS H-1B Skills Training Grants Collection Site for the most updated version of this document, as it will be updated on a monthly basis.
