## State Occupational Licensing Grantee Orientation

08/14/18

Moderator: Pam Frugoli

Speaker(s): Pam Frugoli, Melissa Abdullah, Mike DeMale

This session provides an orientation for the new 2018 State Occupational Licensing grantees. The webinar provides an overview of the purpose and context for these grants, reviews the Employment and Training Administration (ETA) grant requirements, and introduces resources and other technical assistance available to states from two association grantees under the project—the National Conference of State Legislatures and the Council of State Governments.
