

Executive Summary

Implementing Priority of Service Provisions for Most in Need Individuals in the WIOA Adult Program

12/14/2020

Moderator: [Kimberly Vitelli](#)

Speaker(s): John Pallasch, [Kellen Grode](#), Cesar Acevedo, Patrick Dennis

In this webinar, ETA discusses its vision for implementing the priority of service requirements in the WIOA Adult program through a One Workforce system approach, including requirements, ETA ongoing improvement efforts, and resources available to best serve these populations.

This webinar will cover the following topics:

- *The Vision and Requirements described in TEGL 07-20;*
- *ETA's process for monitoring these requirements using performance data; and*
- *Leveraging other resources to support WIOA Adult priority populations.*
