*Updated as of 4/14/20)*

### **Q. Will the National Farmworker Jobs Program competition be waived?**

**Response:** The Workforce Investment Act Section 167(c)(4)(B) provided authority for the Secretary to waive the NFJP grant competition once during a 4-year period if a recipient of such a grant has performed satisfactorily under the terms of the grant agreement. WIOA does not have this provision. At this time, interested organizations should prepare for the competition as planned. MOUs and letters of support may be obtained through email.
