WORKFORCE DEVELOPMENT BOARDS (WDBs)
 RESOURCE RECAP MARCH 2020
Workforce Development Boards (WDBs) play a critical role in contributing to healthy regional economies that serve the needs of business and workers. WDBs function in multiple roles—as a steward of Federal and non-Federal funds, overseeing a host of operational systems and processes, and as the primary architects of the State’s overall workforce strategy.

These resources support the planning process:

- A Changing Workforce Development Landscape
- Building a High-Performing State Workforce Board
- Strategic Boards Toolkit
- Workforce Primer and Workforce System Basic Training
The Workforce Innovation and Opportunity Act (WIOA) encourages the workforce system and partner programs and entities to align their efforts to provide basic career services, individualized career services, and training services. Partnerships and collaborations support increased access to quality-focused services.

The following resources support those efforts:

- Advancing Vision, Creating Strategy, and Partnerships
- Engaging Workforce Development A Framework for Meeting CRA Obligations
- Partnering with Economic Development Agencies and Chambers of Commerce to Add Value
- Powerhouse Partnerships: Community Colleges and Workforce Boards Working Together
- Snapshot: Youth Corps and Workforce Partnerships
Workforce Development Boards (WDBs) play a critical role in contributing to healthy regional economies that serve the needs of business and workers. WDBs function in multiple roles—as a steward of Federal and non-Federal funds, overseeing a host of operational systems and processes, and as the primary architects of the State’s overall workforce strategy.

One critical aspect of fulfilling this mandate is effective mapping of assets. These resources, which include online coursework, toolkits, and an interactive website, support these functions:

- Activating Asset Mapping
- Asset-Based Community Development Institute
- Asset Mapping: A Guide for Education Innovation Clusters
- Community Auditing - Asset and Resource Mapping to Maximize Capacity
Workforce Development Boards (WDBs) function in multiple roles, with one essential aspect of fulfilling these mandates being effective leveraging of available resources.

The following resources support that effort, which include online coursework, toolkits, and an interactive website, support this function:

- Fiscal Mapping Tool and Resource Hub
- Hallmarks of Program Integration: Resource Leveraging and Coenrollment Strategies
- Rural Opportunity Map
- U.S. Cluster Mapping Project
THE FUTURE OF WORK IS CREATIVE COLLABORATION

PARTNERSHIPS FOR A FUTURE-READY WORKFORCE
FUTURE OF WORK: 10 KEY TRENDS FOR THE NEXT 10 YEARS
GET THE FACTS!

57.1% Of Women Participate in the Labor Force.

7.8 million workers had more than one job; about half (3.9 million) of these workers were women.

Among the self-employed, 39.3 percent were women.
